Profile

Perceptive, inquisitive, analytical, responsible, careful, goal-oriented, service minded, logical thinking, humorous, and owns the ability to organize and structure.

Work Experience

Clothes Salesman, GANT Helsingborg 2010

My responsibility was to help customers and serve them to find the right outfit. I also took responsibility for handling cash, opening and closing of stores and unpacking and registration of new products.

English teacher, Wei English School Beijing 2010

I taught six different classes in English. The students were from 6 to 18 years old. I was responsible for their development, planning of their lessons and grade them by creating an exam in the end of the semester.

Volunteer, Doctora Clown Bogotá 2010

My duties were administrative work, visits to hospitals with the organization, translation and correction of texts and the teaching of English.

Kitchen staff, Logistic employee IKEA Helsingborg 2008-2009

Cook, prepare and serve food were my main tasks. The work also involved being cashier, cleaning the kitchen, washing dishes, unpacking of goods, opening and closing of the kitchen. Previously, I worked on the logistics department where I registered, located and extracted the new products.

Kitchen staff, Subway Helsingborg 2008-2009

Prepare and serve food were my main tasks. I also took care of the counter, cleaning the kitchen, washing dishes, unpacking of goods, opening and closing of the kitchen.
